PATIENT FINANCIAL RESPONSIBILTY AGREEMENT AND ACKNOWLEDGEMENT OF RECIEPT OF PRIVACY PRACTICES

I understand I am required to pay all co-pays prior to being seen by the doctor unless arrangements have been made.

If my insurance requires referrals for the office visits, I take full responsibility to obtain them prior to my appointment. If this is not done, I agree to pay all claims denied because of lack of proper referral or I may choose not to be seen until a referral is received.

I understand that some items and/or procedures authorized by my insurance do not guarantee payment and may later be denied. I accept financial responsibility for these items and/or procedures if they are denied even if prior authorization is obtained. I also understand that these items cannot be returned.

I understand that some exams and/or procedures require services from an outside lab. I accept that these services may be billed independently by the facility to my insurance.

I understand that a $30.00 returned check fee will be charged for all returned checks.

I understand that a $25.00 fee may be charged for disability paperwork.

We require at least a 24 hour cancellation notice if for any reason you cannot make your appointment. I understand that a $25.00 fee may be charged for all missed appointments.

I understand that if I change my insurance, I am responsible to notify the office.

I understand I must give ALL insurance information at the time of my Initial Appointment.

I understand that there may be a charge for printing medical records.

I agree that my account will be "paid in full" upon receiving the statement. Any courtesy fees are only applicable upon full-payment of fees at the time of visit. If my account is not paid-in-full upon presentation of the statement, I agree to pay a monthly re-billing fee of $3.00 per month until paid.

I agree that in the event my account is turned over to an attorney or collections agency, I agree to pay any and all actual collection fees charged and or attorney's fees, fees incurred in an amount not to exceed 50% of the balance due. I further agree that the jurisdiction for any action filed for the purpose of collection and any sums due on this account shall be the place where the contract was made, specifically Maricopa County, Arizona. A photocopy for facsimile of this agreement shall be considered as valid as the original.

I acknowledge that I was provided a copy of the Notice of Privacy Practices and that I have read (or had the opportunity to read) and understood the notice.

HIPAA email consent for David M Bates

Patient Name_____ Date of Birth_____

VERY IMPORTANT! PLEASE READ!

HIPAA stands for the Health Insurance Portability and Accountability Act

HIPAA was passed by the U.S. government in 1996 in order to establish privacy and security protections for health information stored on our computers is encrypted

Most popular email services (ex. Hotmail®, Gmail®, Yahoo®, Microsoft Office®) do not utilize encrypted email

When we send you an email, or you send us an email, the information that is sent is not encrypted. This means a third party may be able to access the information and read it since it is transmitted over the Internet.

In addition, once the email is received by you, someone may be able to access your email account and read it.

Email is a very popular and convenient way to communicate for a lot of people, so in their latest modification to the HIPAA act, the federal government provided guidance on email and HIPAA

The information is available in a pdf (page 5634) on the U.S. Department of Health and Human Services website - http://www.gpo.gov/fdsys/pkg/FR-2013-01-25/pdf/2013-01073.pdf

The guidelines state that if a patient has been made aware of the risks of unencrypted email, and that same patient provides consent to receive health information via email, then a health entity may send that patient personal medical information via unencrypted email

OPTION 1 – ALLOW UNENCRYPTED EMAIL

I understand the risks of unencrypted email and do hereby give permission to David M Bates to send me personal health information via unencrypted email to the email address below
